Report on Jamboree GRE, GMAT & University Admissions Counselling

The seminar was on 23-02-2019 and was handled by Shaon Basu, Manager - Operations & Academics, Jamboree. The seminar was about opportunities for students to study abroad in countries like US, Canada, Europe, Australia, New Zealand and Singapore. They also spoke about advantages of studying in US compared to other countries. They have almost 32 centres in 22 cities in 4 countries. They gave a detailed idea on Jamboree, Study Abroad Options, Course Options, Admissions Criteria and Scholarship Options. About 25 students wanted to know more about the programs and 99% students marked that its a good session.
