

EVENT	TECHNICAL WRITEUP AND DEPICTION
DATE	5TH NOV 2018
REPORT	<p>AVISHKAR CLUB of civil engineering department organised an event namely: Technical writeup and Depiction. Students of 3rd, 5th, and 7th semester of civil department took part in the events.</p> <p>TECHNICAL WRITEUP: It was the event where students had to express their idea on the given topic “POT HOLE PROBLEMS IN INDIA”. They wrote about how potholes occur, how it is a threat to the ongoing road traffic and what are the remedial measures that can be adopted to overcome these problems.</p> <p>DEPICTION: Depiction means representation of thoughts in the form of an art. The topic for this event was same as that of Technical Writeup i.e. “POTHOLES PROBLEMS IN INDIA”. Students expressed how in real life scenario potholes could be dangerous for one’s life in the form of posters. They were provided with the materials for the same and were asked to make a poster within the given time frame.</p> <p>These events was conducted to spread awareness about potholes in India, and what remedial measures can be taken to prevent them.</p> <p>Finally, the best participants got the First and Runners-up prize.</p>
