MEMORANDUM OF UNDERSTANDING

This **Memorandum of Understanding** (hereinafter called as the 'MOU') is entered into on this the 26th day of October , Two Thousand and Twenty One (26/10/2021), by and between

NEW HORIZON COLLEGE OF ENGINEERING
Sharjapur-Outer Ring Road, Marathalli, Kadubisanahalli,
Bangalore- 560103

The First Party represented herein by its Name of Competent Authority / Representative (hereinafter referred as „First Party“, the institution which expression, unless excluded by or repugnant to the subject or context shall include its successors – in-office, administrators and assigns).

AND

PROTECT INFRASTRUCTURE SYSTEMS PVT LTD

No. 67, Anjanapura Main Road and Cross Road, SCR Residential Layout,
Gollahalli Village, Bangalore 562123
Email id: psgp12012@gmail.com

The Second Party, and represented herein by its Zonal / Divisional Head, Name of Competent Authority / Representative, (hereinafter referred to as “Second Party”, company which expression, unless excluded by or repugnant to the subject or context shall include its successors – in-office, administrators and assigns).

(First Party and Second Party are hereinafter jointly referred to as „Parties“ and individually as „Party“) as

First Party is a Higher Educational Institution named:

New Horizon College of Engineering

- A) First Party and Second Party believe that collaboration and co-operation between themselves will promote more effective use of each of their resources, and provide each of them with enhanced opportunities.
- B) The Parties intent to cooperate and focus their efforts on cooperation within area of Skill Based Training, Educational trainings like Workshops, Internships and Technical Talks and other related activities.
- C) Both Parties, being legal entities in themselves desire to sign this MOU for advancing their mutual interests.
- D) **PROTECT INFRASTRUCTURE SYSTEMS PVT LTD**, the Second Party is engaged in Design, Construction and project management of Environmental Systems, Product Development and Manufacturing, Engineering Services, Skill Development, Educational trainings like Workshops, Internships and Technical Talks and other related activities.
- E) New Horizon College of Engineering. The first party is Engineering College and this MOU is made for Dept. of Civil Engineering, New Horizon College of Engineering, Bengaluru.

NOW THEREFORE, IN CONSIDERATION OF THE MUTUAL PROMISES SET FORTH IN THIS MOU, THE PARTIES HERE TO AGREE AS FOLLOW

CLAUSE 1

CO-OPERATION

Both Parties are united by common interests and objectives, and they shall establish channels of communication and co-operation that will promote and advance their respective operations within the **Institution** and its related wings. The Parties shall keep each other informed of potential opportunities and shall share all information that may be relevant to secure additional opportunities for one another.

First Party and Second Party co-operation will facilitate effective utilization of the intellectual capabilities of the faculty of First Party providing significant inputs to them in developing suitable teaching / training systems, keeping in mind the needs of the industry, the Second Party.

RAM

Page 3 of 7
Mayptus

The general terms of co-operation shall be governed by this MOU. The Parties shall cooperate with each other and shall, as promptly as is reasonably practical, enter into all relevant agreements, deeds and documents (the „Definitive Documents“) as may be required to give effect to the actions contemplated in terms of this MOU. The term of Definitive Documents shall be mutually decided between the Parties. Along with the Definitive Documents, this MOU shall represent the entire understanding as to the subject matter here of and shall supersede any prior understanding between the Parties on the subject matter hereof.

CLAUSE 2 SCOPE OF THE MoU

The budding graduates from the institutions could play a key role in technological up-gradation, innovation and competitiveness of an industry. Both parties believe that close co-operation between the two would be of major benefit to the student community to enhance their skills and knowledge.

Curriculum Design: Second Party will give valuable inputs to the First Party in teaching / training methodology and suitably customize the curriculum so that the students fit into the industrial scenario meaningfully.

Industrial Training and Visits: Industry and Institution interaction will give an insight in to the latest developments / requirements of the industries; the Second Party to permit the Faculty and Students of the First Party to visit its group companies and also involve in Industrial Training Programs for the First Party. The industrial training and exposure provided to students and faculty through this association will build confidence and prepare the students to have a smooth transition from academic to working career.

Projects/Internships: The Second Party will provide its Internships / Project/ Workshops / Expert Talks for the hands-on training of the learners enrolled with the First Party.

Skill Development Program: Second Party to train the students of First Party on the emerging technologies in order to bridge the skill gap and make them industry ready.

RAM

May 2015

Faculty Development Program: Second Party to train the Faculties of First Party for imparting training as per the industrial requirement.

Both Parties to obtain all internal approvals, consents, permissions, and licenses of whatsoever nature required for offering the Programs on the terms specified herein

If there is any financial commitment on the part of the NHCE, the First Party to take up any programme mentioned in the MoU, it will be dealt separately and will be put into execution after being agreed from Both Parties.

Research and Product Development Activity: The first party here by agrees to assist the second party in disseminating technical concept/knowledge in Research & Development of the product meeting the market need.

- Formulation and utilization of Incubation Centre with research facilities.
- Encouraging startups and facilitating growth pattern in all possible ways including hand holding both Pre and Post marketing.
- For all the above unless it is a general operation a specific MOU may be done to benefit both the parties. Any commercial involvement from proceeds of sales, technology transfer, consultancy or any other form shall be discussed and reduce to document on case to case basis.

CLAUSE 3

INTELLECTUAL PROPERTY

3.1: Nothing contained in this MOU shall, by express grant, implication, Estoppel or otherwise, create in either Party any right, title, interest, or license in or to the intellectual property (including but not limited to know-how, inventions, patents, copy rights and designs) of the other Party.

CLAUSE 4

VALIDITY

4.1: This Agreement will be valid until it is expressly terminated by either Party on mutually agreed terms, during which period **PROTECT INFRASTRUCTURE SYSTEMS PVT LTD**, the Second Party, as the case may be, will take effective steps for implementation of this MOU. Any act on the part of, **INFRASTRUCTURE SYSTEMS PVT LTD**, the Second Party after

RAW

Page 5 of 7
Mangalika

termination of this Agreement by way of communication, correspondence etc., shall not be construed as an extension of this MOU. Both Parties may terminate this MOU upon 30 calendar days notice in writing. In the event of Termination, both parties have to discharge their obligations

CLAUSE 5
RELATIONSHIP BETWEEN THE PARTIES

5.1: It is expressly agreed that **First Party** and **Second Party** are acting under this MOU as independent contractors, and the relationship established under this MOU shall not be construed as a partnership. Neither Party is authorized to use the other Party's name in any way, to make any representations or create any obligation or liability, expressed or implied, on behalf of the other Party, without the prior written consent of the other Party. Neither Party shall have, nor represent itself as having, any authority under the terms of this MOU to make agreements of any kind in the name of or binding upon the other Party, to pledge the other Party's credit, or to extend credit on behalf of the other Party.

First Party

New Horizon College of Engineering

Second Party

Protect infrastructure systems pvt ltd

Any divergence or difference derived from the interpretation or application of the MoU shall be resolved by mutual talks/understandings and is not entitled for any legal actions from either parties. However one can terminate this MOU as mentioned in Clause 4

MEMORANDUM OF UNDERSTANDING (MoU)

For Academic – Industrial Cooperation

This **MoU** is entered between **KEYLYNK BUSINESS CONSULTING PVT LTD**, an Organization having its office at 197 E /5 Lower Ground Floor, 8th B Main Road, 27th Cross, Jayanagar 3rd Block, Bengaluru, Karanataka-560011, hereafter referred as "KEYLYNK", represented by **Mr. Kiran M.S**, Director of **KEYLYNK BUSINESS CONSULTING PVT LTD**

And

DEPARTMENT OF CIVIL ENGINEERING, NEW HORIZON COLLEGE OF ENGINEERING(NHCE), having its office at Outer Ring Rd, near Marathalli, Kaverappa Layout, Kadubeesanahalli, Bengaluru, Karnataka-560103 here after referred College, represented by **Dr. Manjunatha, Principal, NHCE** as the party of the Academic Institution through **Dr. P.S Niranjan, Head of the Department of Civil Engineering, NHCE**.

OBJECTIVES:

The goal of this activity is to increase the market reach of Aspiring professionals, to foster collaboration, provide and facilitate the advancement of knowledge through industry tie ups- based upon reciprocity, best effort, mutual benefits and regular interaction through technical training.

KEYLYNK and **COLLEGE** agree to work on potential initiatives. These initiatives include, but not limited to the following:

1. Curriculum Design
2. Internships
3. Placement activities
4. Technical Programs
5. Job Oriented Programs
6. Special Courses
7. Workshops / Guest Lectures

Kiran M.S

Areas of Collaboration:

2.1 Academic Development and co – ordination

KEYLYNK agrees for providing Technical Training. The students from the COLLEGE will be a part of technical training program. The technical training will include the selected program as mutually agreed upon by the COLLEGE. The batch size and the time duration will be informed well in advance to KEYLYNK. The program will be framed & customized to the present need of the industry.

To facilitate the students, KEYLYNK can also conduct onsite training / Internships / Industrial visits for knowledge up graduation at a cost as mutually agreed upon

2.2 Special courses & Skill Development:

KEYLYNK agrees to provide industry-based Skill development training and such special courses training to the students of the COLLEGE. This training enables the students to apply their technical knowledge in a real-life environment prevalent to current industrial practices.

The training is Designed and developed by the industrial experts to the institutional requirements. The batch size and the program schedule are taken care by COLLEGE.

3. Co –ordination and Monitoring:

Both KEYLYNK and COLLEGE shall appoint members of its employee / Faculty to coordinate and monitor the program on its behalf. A co –ordination committee consisting of

- Director, Keylynk Business Consulting Pvt Ltd or his nominee,
- Head of respective department of the COLLEGE or his nominee
- Head of Training, Keylynk Business Consulting Pvt Ltd.

The co-ordination committee shall meet at once in six months to review the progress in terms contained in this MoU. One of the co-ordination committee on each of side will function as its secretary for the purpose of communication.

This joint arrangement is aimed at providing facilities and service to both the parties on mutually beneficial basis, focused towards upskilling and increasing the employability of the students and makes them suitable to serve Micro Small and Medium Enterprises (MSME's) of this region. While these common facilities of KEYLYNK is intended to use of members and others, the said cost in the form of fees etc will be finalized by KEYLYNK BUSINESS CONSULTING PVT LTD upon mutual consent.

4. Tenure and termination:

This MoU will be taken with effect from the date it is signed by the representatives of both KEYLYNK and COLLEGE. It will be valid for a period of 2 years from the date of signing. The agreement is renewable further as per the need of both parties after suitable review.

Both parties shall take all responsible steps to ensure the successful completion of the collaboration and shall cooperate with each other in performance of their respective obligations. Either party may terminate the MoU by giving written notice to the other party, six months in advances. However, both KEYLYNK and COLLEGE will ensure that all activities in progress are allowed to complete successfully.

5. Arbitration Clauses:

Should there arise a dispute relating to this Industry- Academic cooperation, between KEYLYNK and COLLEGE, the Director of KEYLYNK BUSINESS CONSULTING PVT LTD and Principal, COLLEGE, will jointly resolve the dispute – in a spirit of independence, mutual respect and shared responsibility.

Read, Understood and Consented.
