Event 2:

Name of the Event	Webinar on “PRECAST STRUCTURES”
Date	16 th October 2020, 11:00 AM to 12.30 PM (IST)
Beneficiary	All students & Faculty Members in the Civil Engineering Department
Write up	The session was conducted by Dr. M. N. HEGDE Retired Professor of Civil Engineering, & Dean (Academics), Dr. Ambedkar Institute of Technology, Bengaluru. Students thoroughly enjoyed the session. It covered the applications and various case studies pertaining to the topic
Photographs	NIL

Event 3:

Name of the Event	Webinar on “CLIMATE CHANGE AND ITS IMPACT ON PAVEMENT PERFORMANCE”
Date	22 nd October 2020, 10:00 AM to 12.30 PM (IST)
Beneficiary	All students & Faculty Members in the Civil Engineering Department
Write up	Dr. Kamal Hossain , PhD, P.Engineering, Carleton University, Ottawa, Canada. All these topics were covered in the webinar. Physical infrastructure is at increasing and critical risk from climate-driven stressors. The session gave the students and faculties an insight to vast scope of climate change and its impact on pavement performance

Event 4:

Name of the Event	Webinar on “HOW TO WRITE A RESEARCH PROPOSAL- A REVIEW AND APPROACH”
Date	23 rd October 2020, 02:00 PM to 03.00 PM (IST)
Beneficiary	Faculty Members of Civil Engineering Department
Write up	Dr. Anil Kumar Sharma , PhD-IISC, Bengaluru, Assistant Professor-NIT-Patna. Writing the proposal of a research work in the present era is a challenging task due to the constantly evolving trends in the qualitative research design and the need to incorporate medical advances into the methodology. A clean, well-thought-out proposal forms the backbone for the research itself and hence becomes the most important step in the process of conduct of research. This session boosted the confidence and gave lot of ideas regarding research proposals
